ATTENTION PARKING CUSTOMERS

NOT ON ACTIVE PRE-TAX PAYROLL DEDUCTION

Dear Annual Faculty/Staff Permit Holders,

Please be advised, as we continue to upgrade our process, annual permit renewal will be delayed. If the delay continues beyond 6/30/16, your current FY16 permit will be briefly honored until such time as it is determined renewal should be complete. Further informational announcements about renewal will be sent by email, posted on the Parking Department website, and included in Eweek.

Please note, a separate notice with specific directions regarding payroll deduction is being sent to Annual Faculty/Staff Permit holders who currently pay via payroll deduction.

We appreciate your patience as we continue to work to improve your parking experience. If you have any questions, please contact the Parking Department - parkingcomments@illinois.edu, 217-333-3530.
